

# HUMC Member Wedding Fees

Included in this worksheet is pricing information for HUMC members who wish to have HUMC a part of their wedding celebration.

We define a member of our church community as a person who:

- Completed our Discover Hilliard UMC & Engage membership classes
- Has taken their membership vows
- Is a part of our most recent membership roster
- Is directly involved in our church community (e.g. worship attendance, small groups, etc.)

With your officiating Pastor, please review the items contained on this sheet and identify which are applicable to you as you plan your wedding day. This will help establish your total cost so that you may plan and budget accordingly.

We are honored to be a part of your marriage journey alongside you!
